

Documentation Hints

Searching the Documentation

Use the search field in the page header if you are looking for a specific topic or chapter:

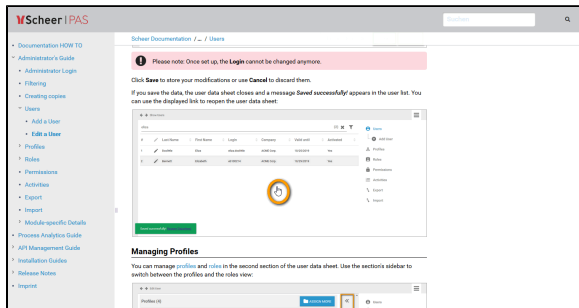

On this Page:

- [Searching the Documentation](#)
- [Enlarging Pictures](#)
- [Info Boxes](#)

Start typing and you will get a list with matching links. Click the links to open the corresponding documentation page. The search field is available on every page of this documentation.

Enlarging Pictures

You will find many examples and step-by-step instructions in this documentation. If the content of any picture is too small, just click the picture to open it in its original size:

Info Boxes

Additional **notes**, **information** and **hints** are color-coded for easy identification.

Important **notes** are displayed in this layout.

Useful **information** can be found in these boxes.

Helpful **hints** are displayed with this symbol.
