

# Documentation Hints

## Searching the Documentation

Use the search field in the page header if you are looking for a specific topic or chapter:

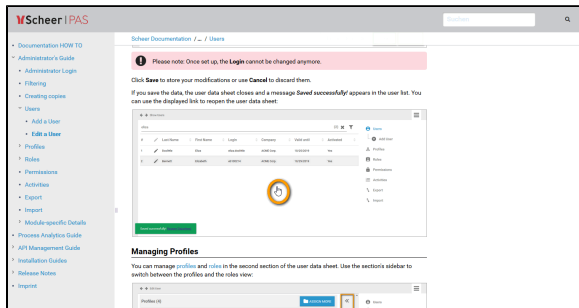

### On this Page:

- [Searching the Documentation](#)
- [Enlarging Pictures](#)
- [Info Boxes](#)

Start typing and you will get a list with matching links. Click the links to open the corresponding documentation page. The search field is available on every page of this documentation.

## Enlarging Pictures

You will find many examples and step-by-step instructions in this documentation. If the content of any picture is too small, just click the picture to open it in its original size:

## Info Boxes

Additional **notes**, **information** and **hints** are color-coded for easy identification.

Important **notes** are displayed in this layout.

Useful **information** can be found in these boxes.

Helpful **hints** are displayed with this symbol.
