Changing the Looks of PAS Designer

In the **Look and Feel** menu you can define the style of the Designer UI.

> (i) The **Look and Feel** settings are maintained globally. Changes are visible to all users.

To change the color of an element, click on the color placeholder. Then use the color picker to select a new color or enter the hexadecimal code of the desired color.

#24ce9b

Hex

In section **Header Options** define the colors of the header content:

- **Header Background**
- **Username**
- **Company Text**
- **Icons**

Use button **Company Logo** to replace the default **Scheer PAS** image with your own logo.

Section **Tab & Toolbar Options** is the place where you design the content of the Designer page.

The following elements can be modified:

- **Background**
- **Tab Background**
- **Active Tab Background**
- **Tab Text**
- **Active Tab Text**
- **Active Tab Text Hover**

If you have finished your design, confirm with **Save** to apply the changes.

Click **Cancel** to abort.

If you want to return to the default settings, use button **Reset to Default**. Then click **Save** to take over the reset.
