The following guides will help you with your task of installing your **Scheer PAS** software:

- [API Management Installation Guide](#)
- [Analyzer Installation Guide](#)
- [BRIDGE Software Installation Guides](#)
- [Mobile App Installation Guide](#)
- [Platform Services Installation Guide](#)
- [Process Mining Installation Guide](#)
- [RESTifier for SAP Installation Guide](#)

Related Documentation:

- [API Management](#)
- [BRIDGE](#)
- [Mobile](#)
- [Process Mining](#)

Scheer PAS *Process Mining* will only run if the platform services have been installed and configured. The [Platform Services Installation Guide](#) explains how to do this.
