

Administrating the Process Dashboard

By clicking the **Administration** link in the title of the Process Dashboard, you can switch to the Process Dashboard administration.

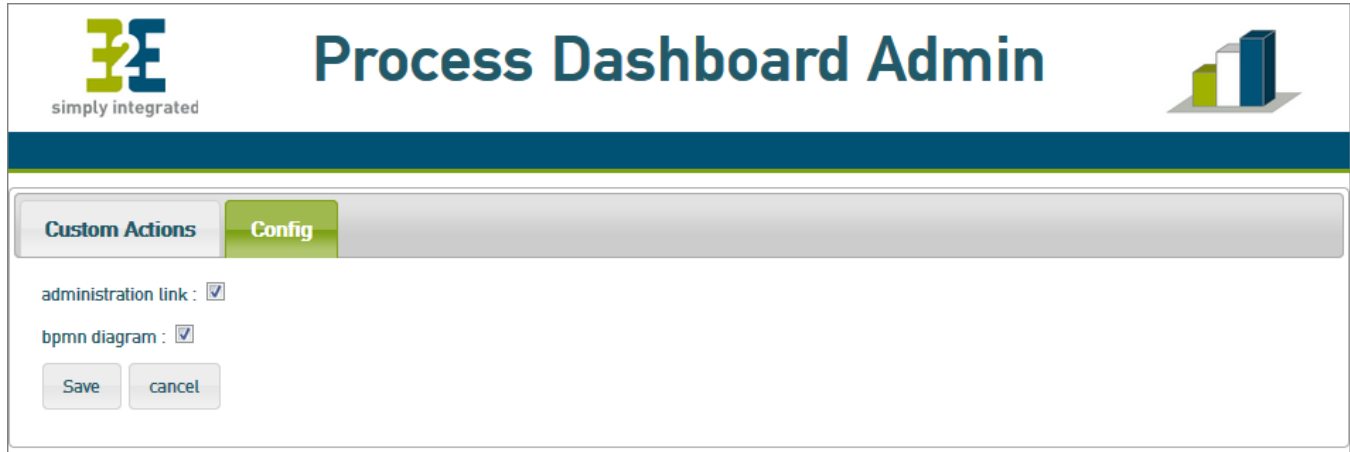

In the administration, you can

- [define custom actions](#)
- [change some configuration details](#)

Changing the Process Dashboard Configuration

Switch to the **Config** tab of the Administration page.

Figure: Config Tab of the Administration Page

The screenshot shows the 'Process Dashboard Admin' interface. At the top left is the logo 'simply integrated' with a stylized 'E' icon. To the right of the logo is the title 'Process Dashboard Admin' in a large, bold, blue font. Further right is a small 3D bar chart icon. Below the title bar is a horizontal tabbed interface with two tabs: 'Custom Actions' and 'Config'. The 'Config' tab is currently selected and highlighted in green. Below the tabs, there are two configuration options, each with a checkbox: 'administration link : ☒' and 'bpmn diagram : ☒'. At the bottom left of the configuration area are two buttons: 'Save' and 'cancel'.

- Uncheck **administration link** to make the administration link in the title of the Process Dashboard disappear.
- Uncheck **bpmn diagram** to not display the BPMN diagram below the data table.
