Excerpt Images

The image displays three screenshots illustrating user interface elements:

- Screenshot 1:** A navigation bar showing a user profile for "Jane Marple" from "ACME Corp". The profile icon is highlighted with an orange circle. Below the profile are links for "User Preferences", "Documentation", "Tutorials", "Logout", and "Designer Options".
- Screenshot 2:** A "User Preferences" form for changing a password. It includes fields for "Old Password", "New Password", and "Confirm Password". Validation messages are shown: "The confirmation of the new password does not match. Please check your input." and "The confirmation of the new password does not match. Please check your input.". The "New Password" field has two eye icon buttons to toggle visibility.
- Screenshot 3:** A partial view of another page with a header "User Prefe" and a sidebar containing "User Data", "Organization Data", and "Change Password" options.
