

Troubleshooting PAS Portal

Errors may occur while working in **Scheer PAS**. To facilitate troubleshooting, corresponding error and notification messages are displayed in the application. The overview of error messages allows you to identify possible causes and possible solutions. It also refers to documentation pages that contain further details.

Erroneous Behavior	Possible Reason	Solution	Further Information
After login to the Portal, a white page is displayed.	The PAS Portal does not load correctly.	<ul style="list-style-type: none">• Reload the browser window.• Clear the browser cache.• If the problem persists after several reload attempts, contact your PAS administrator.	<ul style="list-style-type: none">• Getting Started With Scheer PAS
