All notifications are displayed in a list. You can use the filter to search for specific messages:

	My APIs   My Olients   My Organizations   My Plans   My Notifications	
	T (amoy) ×	
Date	Messeye	Category
21 hours ago	A contract between API ACMECurrencyConverter version 3.0 and client WINTERPARTNERS version 1.0 needs approval.	API Administration
		Mark As Read

The notifications are also available in the API Developer Portal. In the API Developer Portal, you can select between different notification views (**Unread**, **Read**, **AII**):

Notificati	ons	Francis	jane.marple 🖨 🔔 Logout
	t	Home Marketplace My Clients	
	Category	Message	Date Nark As Read
	Administration	Signup request for API	22 hours ago 🗸
	Administration	Signup request for API	22 hours ago
	Administration	Signup request for API	23 hours ago 🗸

Use Mark as Read to send a notification from tab Unread to tab Read.

## Functionalities of the Notification List

The notification list in API Management displays all unread messages, which makes it a task list for the administrator.
